and keep your own tenancy

Understand your tenancy agreement

How to set up & manage your home

**FREE practical
course**

**Friendly
sessions**

**Everybody
welcome!**

Course delivered by:

Tenancy Management

Course information for participants from our course tutor.

What is covered on the course?

- The course will give you some new knowledge and skills to help you manage or set up a new tenancy.
- We will also be looking at tenancy agreements, where to find social & private housing, D.I.Y, what benefits you may be entitled to, how to be a good neighbour and lots more
- You will also have the chance to practise and improve your English, Maths and IT skills.

Where will you learn?

- Sessions are currently run via zoom, I can provide support to help you get onto zoom if required.
- These sessions will be twice per week on Tuesdays and Fridays 10.30am till 12.30pm.
- I will send out a Learner journal to you before the course starts, if you wish, you can begin to fill out some of the tasks in the learner journal.
- I will support you by phone, email, text and via the zoom sessions.
- I can also see you on a 1-2-1 basis if needed. (Covid permitted) We will do this at our offices either in Huddersfield or Dewsbury.

Who is your tutor?

- Linda Wood. I am a qualified tutor and have worked at Fusion Housing for over 12 years.

What do you do now?

Once you have decided you wish to do the course, we will do a short assessment to look at what skills you already have.

There is a learner journal too. Please have a look through it and start work on it if you can.

If you need any help at all, with the workbook, please don't hesitate to call, text or email me. I am here to help you in whichever way I can. You are not on your own.

I look forward to working with you.
